

# Program Fees

Ross Mathematics Program · [ross@rossprogram.org](mailto:ross@rossprogram.org) · (773) 809-5659

We must receive your program fee prior to May 20, 2023. You may pay program fees by paper check, credit card, or electronic funds wire transfer.

Program Fees are used to pay for room and board costs, and instructional expenses.

Total Fee is \$6000 (US dollars)

Participants must pay this program fee prior to May 20, 2023.

## To pay by Paper Check

If you reside in the USA, you may write a check for \$6000, payable in U.S. Dollars, made out to “Ross Mathematics Foundation” and mailed to

Ross Mathematics Foundation  
1644 Andover Rd  
Columbus, OH 43212

U.S. residents should allow time for postal delivery, or use an express/certified mail delivery service. Do not require signature confirmation because no one is available to sign for packages. Mail from other countries sometimes takes much longer. Check with your local postmaster for a delivery time estimate.

**We are happy to receive paper checks.** However, if you live outside the USA it might be more convenient to pay by another method.

## To pay by Credit Card

The Ross Mathematics Foundation can receive payments by credit card. Visit <https://apply.rossprogram.org/> and click the “Pay Course Fees” button to pay by credit card.

## To pay by Electronic Funds Transfer

If you live abroad and cannot pay by credit card or provide a paper check, you may instead pay participation fees by emailing [ross@rossprogram.org](mailto:ross@rossprogram.org) to arrange an electronic funds wire transfer.

Your email must include your bank information, the name on the account from which you are sending the funds, and the total amount of the wire transfer in USD. You are responsible for all wire transfer fees; include sufficient funds to cover your bank’s origination fee,

any currency conversion fees, and an additional \$15 to cover our bank's incoming wire fee. Furthermore, **be sure that the wire transfer instructions include the participant's full name** so that we may credit your account.

<b>Bank Name:</b>	HUNTINGTON NATIONAL BANK International Services EA2E85, 7 Easton Oval Columbus, OH 43219
